

RAINIER
SCHOLARS

College Care Packages

Currently 171 Rainier Scholars attend 59 colleges and universities in 16 states. Volunteering to purchase and assemble college student care packages is a helpful way to support a scholar on the pathway to college graduation. Each year, Rainier Scholars sends care packages to our college students whether they are attending a local school or living across the country.

How it Works:

- ✓ Contact Fred Capestany, Director of College Support at (206) 407-2148 or fcapestany@rainierscholars.org to sign up as a care package volunteer.
- ✓ Let us know if you'd like to be matched with one or two scholars. We will then provide a short bio and photo as well as guide to help you in selecting items.
- ✓ Pick up a medium sized flat rate box from your local post office.
- ✓ Fill your care package with items a college student would appreciate. Make sure to include a handwritten note to your scholar.
- ✓ Return your care package **UNSEALED** to the Rainier Scholars office by Friday, November 2nd, 2018.

Thanks for your support of our hardworking scholars!!

"I had just gotten home from a 10 hour day at my internship to find a care package that ended up containing (among other things) a package of mint milanos that singlehandedly got me through the next 3 hours of homework...Thank you!" - Ellis

“Words cannot describe how grateful I am that somebody would take the time to create a package for me during one of the most important transitional times of my life. Without the presence of my family and being in a completely new environment with people I have never met before, it’s awesome to receive support from people that simply want me to succeed in whatever I do and for that I thank you from the bottom of my heart.”
