

Still Considering Rainier Scholars?

It's not too late!

Rainier Scholars – Tacoma is a college readiness program for students of color. We partner with families in the greater Tacoma area starting the summer before 5th grade, providing academic enrichment and support to help students achieve college graduation.

We're currently recruiting 4th grade families to apply to our program. If you're interested in learning more, we have now added four final family information meetings. Families must attend one meeting in order to apply.
